TO: MR. RON STUMPO (AIR PURIFICATION)

I WANTED TO WRITE THIS LETTER ON BEHALF OF GKN AUTOMOTIVE INC. AND MYSELF TO EXPRESS MY SATISFACTION FOR AIR PURIFICATION INC., ITS PERSONNEL AND THE AIR CLEANING EQUIPMENT EQUIPMENT THEY HAVE INSTALLED AT OUR MEBANE FACILITY.

AS YOU KNOW, WE DO A TREMENDOUS AMOUNT OF GRINDING AND CUTTING WITH OIL BASE COOLANTS. THIS PROCESS CREATES AN OIL SMOKE AND MIST THROUGHOUT OUR FACILITY. WE OPERATE 24 HOURS PER DAY 7 DAYS A WEEK. THE BUILD-UP OF INDOOR AIR POLLUTION IS BOTH AND IRRITANT AND AN OSHA HEALTH HAZARD.

WHEN YOU FIRST APPROACHED US AND RECOMMENDED A COMBINATION OF MIST-PACs, VOM-1200s, F240s and VOM-2400s. I WAS A LITTLE HESITANT BECAUSE WE HAD TRIED OTHER MANUFACTURERS (TRION, METAL FAB AND AERCOLOGY). AND THEY ALL PROVED TO BE DISMAL FAILURES.

YOUR SALES MANAGER, DUANE DORSAY'S PERSISTENCE AND CONFIDENCE IN YOUR PRODUCT, EVENTUALLY PAID-OFF, BECAUSE WE DECIDED TO TRY YOUR EQUIPMENT INSTEAD OF LARGE EXHAUST FANS (THUS EXHAUSTING HEATED AND COOLED AIR ALONG WITH THE MIST AND SMOKE), CAUSING A POTENTIAL PROBLEM WITH THE EPA.

THAT DECISION TURNED OUT TO BE ONE OF THE BEST I HAVE EVER MADE. THE SMOKE AND MIST HAS BEEN DRASTICALLY CUT. EMPLOYEE'S ARE HAPPIER WITH THE AIR QUALITY. MY JOB IS EASIER, THE FACILITY IS CLEANER, GKN IS MORE PRODUCTIVE, AND MOST OF ALL, MANAGEMENT IS VERY SATISFIED.

AGAIN, THANKS FOR ALL THE HELP AND PLEASE KEEP UP THE GOOD WORK.

SINCERELY,

Ray Holmes
