Mr. Jeff Rawls
Air Purification, Inc.
8121 Ebenezer Church Road
Raleigh, NC 27612

Dear Jeff:

I wanted to pass along our appreciation for a job well done in the installation of the air filtration units that we installed in our Albemarle, NC facility. The units that we selected and had Air Purification to install are allowing our employees to work in an environment that is less hazardous, less odorous and more "employee-friendly".

The installation process and the continued support from your service team have also been exemplary. Thanks again for a job well done and for the continued interest in helping us with our projects to improve our facilities and our processes.

Sincerely,
